Course Materials

You are not required to purchase a textbook for this course. If you are planning on taking MATH 154 next quarter, you will be required to purchase the textbook for that course. Some of the material I will cover in class can also be found in that textbook and much of it can be found online. However, you will need to attend class in order to learn some of the graphing techniques I use. Photos from class can be found at the website (click on the link to the Schedule in the upper right corner).

Accommodations

Students with disabilities who wish to set up academic adjustments in this class should give me a copy of their “Confirmation of Eligibility for Academic Adjustments” from the Disability Services Office as soon as possible so we can discuss how the approved adjustments will be implemented in this class. Students without this form should contact the Center for Disability Services, Ellensburg and Eastside University Centers at cdsrecept@cwu.edu or 509-963-2171.

Grading

Your grade will be determined by the following:

- Twelve homework assignments each worth the same number of points. Sixteen homework sets will be assigned, your top twelve scores will count. Homework will be assigned and graded through the WebWork (**not** Blackboard). No late homework will be accepted.
- Four in-class examinations each worth the same number of points. Late exams can be arranged for appropriate reasons. Please contact me prior to the exam to set up an alternative exam time. If an unexpected event causes you to miss an exam, please contact me as soon as possible to set up an alternative exam time.
- One final examination. This exam will be taken at the scheduled final exam time during finals week.

Your course percentage will be calculated by two methods and the better score will be given to you.

	Method 1	Method 2
Homework	20%	23%
Exams	60%	73%
Final	20%	4%
Total	600	600

Your final grade will depend on your course percentage:

$\geq 87\%$	B+		$\geq 93\%$	A		$\geq 90\%$	A-
$\geq 77\%$	C+		$\geq 83\%$	B		$\geq 80\%$	B-
$\geq 67\%$	D+		$\geq 73\%$	C		$\geq 70\%$	C-
			$\geq 63\%$	D		$\geq 60\%$	D-
