

Math 411B Mathematical Statistics Winter 2014

10 – 10:50 MWF Black 201-01

Instructor: Cen-Tsong Lin

Office: Bouillon 108B, Tel: 963-2842, e-mail: ctl@cwu.edu

Office Hours: 11:00 to 11:50 Monday – Friday

Web Page: www.cwu.edu/~ctl

Course goals: The goal of this course is to deliver the knowledge of probability theory and lay the foundation work for the mathematical statistics course. At the conclusion of this course, students will understand the following topics:

- (i) Bivariate distributions, multivariate probability distributions.
- (ii) Distribution of functions of random variables (change of variables)
- (iii) Order Statistics
- (iv) Estimations: point estimations, confidence intervals, regression problems

The content of this course covers most of [SOA exam P](#) material. Students are encouraged to take Exam P in the [coming March](#).

Prerequisite: Math 411A with grade C or better; or by permission

Required Text: Hogg and Tanis, Probability and Statistical Inference, 8th edition, Prentice Hall

Sections Covered: Chapters 4, 5, 6 and 8.8

Evaluation:

- Homework assignments and quizzes (15%)
- 3 in-class tests (60%), tentative dates: 1/24, 2/14 and 3/7
- Final exam (25%): Comprehensive, 8:00 – 10:00, Thursday, 3/20/2013

Course Conduct:

- Homework assignment will be assigned daily and the due date is one week from the day it is assigned. No late homework will be accepted.
- The assignments and class handouts will be also posted at the class website: www.cwu.edu/~ctl for your convenience.
- No make-up test will be given unless you can document a circumstance that is beyond your control and unexpectedly prevented you from taking the test.

Grading:

Your grade will be assigned based on the following scale:

	93% → 100%	A		90% → 92%	A-
87% → 89%	B+	83% → 86%	B	80% → 82%	B-
77% → 79%	C+	73% → 76%	C	70% → 72%	C-
67% → 69%	D+	63% → 66%	D	60% → 62%	D-
below 60%	F				

I reserve the right to adjust the above scale (in student's favor) if deemed appropriate.
