

# Math 154 Pre-Calculus 2 Winter 2017

<i>Instructor:</i> Molly Andaya <i>email:</i> molly.andaya@cwu.edu	<i>Section, Time and Place:</i> 154.001, 9am, M-F, Hertz 118 <b>Final Exam:</b> <b>Tuesday, 3/14/17, 8am</b>
<i>Phone:</i> 963-1826	
<i>Office:</i> Black 225-33	<i>Office Hours:</i> 1:00 – 1:50pm M-F, or by appt.

## Required Materials

- My Math Lab access (**sign up through Canvas**) will come with an e-book of our text: ***Precalculus, 10e***, by Michael Sullivan. *\*Note: The actual textbook is optional. Purchase the text if you do not want to use the e-book*
  - We will be covering sections from Chapters 6 – 9
- Graphing Calculator: recommended model is TI-83/84. If you have another model, that's fine, but I can't help you run it. You may not use a phone app as your graphing calculator.
- Paper for taking notes, graph paper is helpful for when we graph
- Pencils. **I won't accept papers done with pen (not even those cool erasable pens)!**
- Access to Canvas. I will post grades, notes, course syllabus, and other important stuff there.

## Course Description

- Math 154 is a continuation of Math 153 with emphasis on trigonometric functions, the unit circle, solving trigonometric equations, vectors, the complex numbers, and an introduction to analytic geometry. Focus will be on skill as well as application.

## Expectations/Policies

- All work turned in to me is done in pencil.
- **Attendance:** I do not take attendance on a regular basis (except for the first 3 days of the quarter). I do give attendance based pop quizzes a few times each quarter. These are unannounced and cannot be made up for any reason.
  - **If an assignment or take home quiz is due the day you will be absent, have someone turn it in for you, OR turn it in early (do not email it to me).** I don't accept late work.
- **Grading:**
  - I post your grades on Canvas, make sure you let me know if you have any questions!
  - *Homework* will be assigned through My Math Lab. It will count towards your grade for the course. HW for the unit is *generally* due at 11:59pm the night before an exam. The due dates are firm. Do not ask for extensions.
  - *Quizzes* (not pop quizzes) will be given either through MML or as take home quizzes. You will have 2-3 days to complete and turn in. Questions will be graded as right or wrong, partial credit will not be considered.

- *Take Home Assignments* will be given in class or posted on Canvas. You will have 2-3 days to complete and turn in. Questions will be graded as right or wrong, partial credit will not be considered.
- *In Class Quizzes/Assignments* will typically be unannounced. You must be in class to participate. These cannot be made-up for any reason. Questions will be graded as right or wrong, partial credit will not be considered.
- *Exams*: You will have 3 exams (100 points each) and a comprehensive final (150 points). Partial credit will be considered on all exams. No retake exams will be given. ***If you are unable to attend class on an exam day, you must arrange with me PRIOR to the exam date or you will forfeit your right to make up the exam. Do not contact me after the exam has been given asking to make up the exam.***
- Near the end of the quarter, I will drop/excuse ONE quiz or take home assignment score from your grade. No exams will be dropped, no MML homework scores will be dropped.
- Exam 3 and homework will most likely be due the week of March 7 – 11. This is the week before finals!
- **Cheating = Failure.** You will receive a zero (with no chance of makeup) if you copy, help, hint, check, etc. on a test or in-class quiz. That includes sharing information with your peers in other sections of my Math 154.
- The final exam may not be made up or rescheduled. Do not ask to do so.

Letter Grades (based on total points possible at end of quarter, not weighted)

A	A-	B+	B	B-	C+	C	C-	D+	D	D-	F
93-100%	90-92%	87-89%	83-86%	80-82%	77-79%	73-76%	70-72%	67-69%	63-66%	60-62%	<60%

Finally

- Students who have special needs or disabilities that may affect their ability to access the information or material presented in this course (including exams) are encouraged to contact me or Disability Services ([ds@cwu.edu](mailto:ds@cwu.edu), 509-963-2214, Hogue 126)
- I will call on you to participate in class, to answer questions, to “give me the next step”, etc. Your class participation allows me to assess your knowledge while I teach. Your participation is vital for my teaching and ultimately, your learning.
- I LOVE teaching and doing Pre-Calc! I hope that you will find this course enjoyable. Please, do not hesitate to ask me questions.

**Important Dates:**

- **January 16: No Class (MLK Day)**
- **February 17: No Class**
- **February 20: No Class (Presidents’ Day)**
