

Math 154 Pre-Calculus 2 Spring 2019

Instructor: Molly Andaya email: molly.andaya@cwu.edu	<i>Section, Time and Place:</i> 154.001, 11am, M-F, Shaw Smyser 113 154.002, 1pm, M-F, Samuelson 252 Final Exam: Section 1: Friday, 6/7, 8am Section 2: *Your choice 6/4, 6/6, or 6/7, 8am
<i>Phone:</i> 963-1826	
<i>Office:</i> Samuelson 228K	<i>Office Hours:</i> 10:00 – 10:50pm M-F, or by appt.

Required Materials

- My Math Lab access (**sign up through Canvas**) will come with an e-book of our text: **Precalculus, 10e**, by Michael Sullivan. **Note: The actual textbook is optional. Purchase the text if you do not want to use the e-book*
 - We will be covering sections from Chapters 6 – 9
- Graphing Calculator: recommended model is TI-83/84. If you have another model, that's fine, but I can't help you run it. You may not use a phone app as your graphing calculator.
- Paper for taking notes, graph paper is helpful for when we graph
- Pencils. **I won't accept papers done with pen (not even those cool erasable pens)!**
- Access to Canvas. I will post grades, notes, course syllabus, and other important stuff there.

Course Description

- Math 154 is a continuation of Math 153 with emphasis on trigonometric functions, the unit circle, solving trigonometric equations, vectors, the complex numbers, and an introduction to analytic geometry. Focus will be on skill as well as application.

Expectations/Policies

- **All work turned in to me is done in pencil.**
- **Attendance:** I do not take attendance on a regular basis (except for the first 5 days of the quarter). I do give attendance based pop quizzes a few times each quarter. These are unannounced and cannot be made up for any reason.
 - **If an assignment or take-home quiz is due the day you will be absent, have someone turn it in for you, OR turn it in early (do not email it to me).** I don't accept late work.
- **Grading:**
 - I post your grades on Canvas, make sure you let me know if you have any questions!
 - All graded work will be assigned to one of two categories:
 - Minor (40% of your grade)
 - Major (60% of your grade)
 - **Minor Category**
 - *Homework* will be assigned through My Math Lab. HW is *generally* due at 11:59pm the night before an exam. Due dates are firm. Do not ask for extensions.
 - *Quizzes and Take-Home Assignments* will be given either through MML or posted on Canvas for you to print, do and turn in during class. You will have 1-3 days to complete and turn in. Questions will be graded as right/wrong, partial credit will not be considered.
 - *In Class Quizzes/Assignments and Attendance Pop Quizzes* will be unannounced. You must be in class to participate. If you are late to class and

miss an attendance pop quiz, you will not receive the points. These cannot be made-up for any reason. Questions will be graded as right/wrong, partial credit will not be considered.

- The lowest score in this category will be dropped!
- **Major Category**
 - *Friendly Angle Quizzes*: You will have plenty of these throughout the quarter. No partial credit.
 - *Exams*: You will have 3 exams and a comprehensive final. Partial credit will be considered on all exams. No retake exams will be given. ***If you are unable to attend class on an exam day, you must arrange with me PRIOR to the exam date or you will forfeit your right to make up the exam. Do not contact me after the exam has been given asking to make up the exam.***
- Exam 3 and homework will most likely be due the week of May 28 – June 1. This is the week before finals!
- **Cheating = Failure.** You will receive a zero (with no chance of makeup) if you copy, help, hint, check, etc. on a test or in-class quiz. That includes sharing information with your peers in other sections of my Math 154.
- If you need to reschedule an exam (including the final) please ask well in advance. You will have a better chance of your request being accommodated.

Letter Grades

A	A-	B+	B	B-	C+	C	C-	D+	D	D-	F
93-100%	90-92.9%	87-89.9%	83-86.9%	80-82.9%	77-79.9%	73-76.9%	70-72.9%	67-69.9%	63-66.9%	60-62.9%	<60%

Finally

- Students who have special needs or disabilities that may affect their ability to access the information or material presented in this course (including exams) are encouraged to contact me or Disability Services (ds@cwu.edu, 509-963-2214, Hogue 126)
- I don't give extra credit at the end of the quarter to help with your grade. There are no "extra things" you can do, beyond what is offered in class to all students, to help with your grade. Please don't ask for special treatment. Attendance, hard work, and conscientious effort will set you up for success.
- I will call on you to participate in class, to answer questions, to "give me the next step", etc. Your class participation allows me to assess your knowledge while I teach. Your participation is vital for my teaching and ultimately, your learning.

Important Dates:

- **May 27: NO CLASS, Memorial Day**
